Dear Harvinder

Re: Medication Observation

Thank you very much for allowing me to observe a dispute regarding property and other assets between two brothers. I found the constant private discussions between you and I interesting and educational. I also witnessed a style of mediation that I have not observed in other settings, and may be able to employ these styles when needed in the future.

I would be happy to recommend yourself to other potential candidates, and indeed, join you again in the future.

Kind regards

Dr Hozefa Ebrahim
