Subject: TOLATA Brothers Mediation Observation Reference

Dear Harvinder

Thank you for affording me the opportunity to observe the four hour mediation in Walsall on Friday 12 April 2019 as part of my further training.

I am, obviously, more than happy for you to use an extract of this email as a reference on your website.

From initial contact with the opportunity right through to the valuable debrief after the mediation I found you to be organised, methodical, inquisitive and thorough. It was a great pleasure to see the tools I learnt on the course put into a real life practice. Your quizzing and grilling in between the single sessions with the parties was of great assistance to me; being challenged on next steps turned this from a mere observation to a very valuable learning exercise.

I look forward to the next opportunity. Hope to catch up soon.

Kind regards, Lawrence
