Dear Mr Bhurji,

I learnt a lot from my probate mediation observation (which settled), on 25<sup>th</sup> July 2020. I found Mr Bhurji to be very accommodating and willing to impart his experience on all those who attended.

He went above and beyond providing the other mediation observers and myself ample opportunity to ask questions and decipher techniques. I found the Q & A after the mediation particularly useful.

I would recommend him to anyone looking for an experienced mediator to observe.

Yours sincerely,
